Thank you for dining with us...

While we make every effort to deliver some of the finest fresh food Ayrshire has to offer we ask that you make your server aware of any allergens or food intolerances.

We aim to use the same ingredients consistently within our recipes and a 14 declarable Allergens chart can be provided on request. However with an ever volatile supply chain some ingredients may vary day to day. All items in our menu are made in an area that contains the 14 declarable allergens and we can not guarantee that low level cross contamination may occur.
